SUMMARY

Software Development student with strong foundations in object-oriented programming, web development, and database-driven applications. Experienced in building front-end applications and gaining hands-on exposure to back-end and database concepts through academic projects using Python, Java, C#, JavaScript, React, PHP, and MySQL. Known for great problem-solving skills, attention to detail, and the ability to learn new technologies quickly. Strong work ethic developed through former client-facing roles with a proven track record of delivering accurate, high-quality work.

TECHNICAL SKILLS

Programming Languages: Python, Java, C#

Web Development: HTML, CSS, JavaScript, PHP, WordPress, React, ASP.NET

Database Architecture: MySQL

Tools & Technologies: GitHub, Visual Studio, VS Code, IntelliJ IDEA

EDUCATION

Computer Systems Technology – Software Development (Advanced Diploma) Sept 2024 – Present
Mohawk College

- GPA: 90.45%
- Dean's Honour Student

Bachelor of Arts (B.A.) in English Language Graduated 2015
Ho Chi Minh City University of Technology

WORK EXPERIENCE

Technical Illustrator, Construction Drawings July 2021 – Jan 2024
YDR Vietnam Co., Ltd. – A branch of Yuasa Design Room Co., Ltd.

- Produced and maintained highly detailed technical drawings for large-scale infrastructure projects, including Ho Chi Minh City Metro Line 1.
- Reviewed, revised, and validated drawings to ensure accuracy, consistency, and compliance with technical and industry standards.
- Collaborated with engineers and project teams to incorporate updates, resolve discrepancies, and maintain documentation quality.
- Demonstrated strong attention to detail, version control, and structured problem-solving across complex technical systems.

Assistant to the Director of English Department
The Asian International School

June 2019 – June 2021

- Supported departmental operations by coordinating administrative tasks and facilitating clear communication with staff and students' families.
- Organized, maintained, and managed departmental records and documentation with a high level of accuracy and confidentiality.
- Assisted in planning and coordinating school events, schedules, and activities, ensuring smooth execution and adherence to timelines.

Viet Uy Tin Co., Ltd.
Translator

May 2015 – May 2019

- Translated notarized and official documents across multiple domains with a high degree of accuracy and linguistic consistency.
- Applied strict attention to detail and confidentiality standards when handling sensitive and legally binding materials.
- Reviewed and revised translations to ensure clarity, correctness, and adherence to formal documentation requirements.

PROJECTS

Personal Portfolio

URL: <https://quangdoan7.github.io/Portfolio/>

- Developed a personal portfolio to showcase technical projects and skills.
- Utilized HTML, CSS, and React to complete project.

Pet Café Website

URL (YouTube video): <https://youtu.be/y5mU7odOGSY>

- Developed a pet café website that has multiple pages for the introduction, events, menu, job postings, blog posts and contact information.
- Implemented mini map for clear location and comment section in blog posts for customer interaction.
- Designed using WordPress.

ColorEase

URL: <https://github.com/QuangDoan7/ColorEase>

- Motivated by cousin's colorblind condition, a real-time camera-based application designed and built to assist individuals with color vision deficiency in distinguishing colors more effectively (developed for Deuteranopia, being expanded to more conditions of color blindness later).
- Built using Python, with research and applied concepts related to color vision deficiency and image processing, focusing on Deuteranopia and planned expansion to additional conditions.
